McKinney Prize Finals Next Week

Four Vie to Clinch "Statute of Man" Win

Rivalry for two sizeable cash prizes, plus trophies in the form of valuable books, will distinguish the McKinney Prize Contest in English to be held next Thursday, May 15, at 11 a.m., in 206 Dabney Hall.

From the members of the Junior Class who submitted essays in this contest, four have been selected by the committee of the English Department in charge to present their papers before the final panel of judges. The chosen contestants are (in alphabetical arrangement): Len Herzog, Robert S. Stone, Charles Susskind, and Alfred E. Waters.

Four Books Read

The general theme of the contest this year is "The Statute of a Man." The discussion of this theme is based on the reading of books by H. G. Wells, Somerset Maugham, George Santayana, and Sinclair Lewis.

It is hoped that a large audience will turn out to spur the contestants to their best efforts. Members of the English Department who have read the essays report that they are of high interest.

Dubridge, Hedrick Greet Y Tea Guests

Officers Installed at Dabney Garden Gathering

One hundred friends of the campus YMCA, as well as 50 students, were greeted by Presidents L. A. DuBridge and L. Hedrick at the highly successful YMCA installation tea last Sunday afternoon in Dabney Garden.

New officers taking office included Dick Alexander, new "Y" president; Bill Muehlberger, vice-president; Elroy Chin, secretary; Dave MacKenzie, treasurer, and Bert Hausman, regional representative.

Refreshments were served through the courtesy and generosity of Mrs. Thomas Fleming.

Col. Goldsworthy officiated as master of ceremonies.

Campus Calendar

Thursday, May 8—
Upper Class Luncheon at the Training Table, 12:00.
Troop Club Meeting, 12:00.
Chem Club Meeting for the election of officers in 151 Cullinan at 4:30 p.m.
Dancing Class in Culbertson Hall, 7:30 p.m.

Friday, May 9—
Fresh Orientation on EE and ME by Prof. Sorenson and Prof. Lindvall at 11 a.m. in 201 Bridge.
Golf match, Caltech at Pomona, 1:30 p.m.
Swim meet, Caltech at Redlands, 4:00 p.m.
Blacker Spring Formal.
Fleming Record Dance.

Saturday, May 10—
Tennis match, Caltech at Redlands, 1:30 p.m.
Baseball game, Pomona at Caltech, 2:15 p.m.
Dabney Exchange Dance with USC.
Fleming Beach Party at Balboa.
Ricketts Picnic.
Troop Club Spring Semi-Formal.
T Beta Pi Dance.

Sunday, May 11—
Mother's Day.
Dabney Beach Party.
Blacker All-Day Picnic.

Monday, May 12—
"Y" Forum Debate in 119 Kerchoff at 7:30 p.m.
Band Rehearsal in Culbertson Hall, 7:30 p.m.

Tuesday, May 13—
Tennis match, Whittier at Caltech.
Baseball game, Cal Poly at Caltech, 4:15 p.m.

Wednesday, May 14—
Fresh Luncheon Club at the Training Table, 12:00.
Orchestra Practice in Culbertson Hall, 7:30 p.m.

Thursday, May 15—
Upper Class Luncheon at the Training Table, 12:00.
Troop Club Meeting, 12:00.
Dancing Class at Culbertson Hall, 7:30 p.m.

Engineering Act CES Meeting Subject

Sorenson, Thomas to Discuss Phases of Act

The California Professional Engineering Act, now before the State Legislature, will be thoroughly explained and discussed by Dr. Sorenson and Dean Thomas at a meeting of the CES (Consolidated Engineering Society) in 155 Arms at 4 p.m. next Thursday, May 15.

These two men are especially well qualified for this discussion for Professor Sorenson is the local AIEE representative on the committee presenting the Engineering Act to the Legislature. He has been active in AIEE affairs in the past and was at one time national president of that group.

CE's Also Affected

Dean Thomas, as a civil engineer, is familiar with the present Civil Engineers Licensing Act as well as with the proposed measure. There are several important differences between the two acts, which will be pointed out, especially in regards to the way they will affect civil engineers.

This Act is of real importance to all students who intend to work as engineers in California, because it will govern many phases of their future activities.

The meeting is being sponsored by the Caltech branch of the AIEE, and is open to all students and faculty.

Throop Bowling Party Big Success

More than 60 Throop Club members and their dates attended a most successful bowling party, which was held last Saturday night. The club engaged the entire upper deck of the Pasadena Bowling Courts from 7 to 9 p.m. Following the presentation of trophies by the management, the bowlers retired to the lounge for dancing.

Broadcast Party

Next Saturday night the off-campus men are planning a Broadcast Party, which will take in a CBS show at 7 p.m. Following the rounds in Hollywood, the lounge will be open for refreshments and dancing.

Tech Veterans Organize; Will Meet Weekly

A group of veteran students of Caltech got together recently and organized a campus chapter of the American Veterans Committee. It is the only organization of its kind on the campus, and will meet to discuss student-veteran problems and organize interesting social activities for its members.

The chapter has received the sponsorship of Dr. Pauling and Mr. Huse and the capacities of Dr. Schutz as advisor.

Currently the group is backing H.R. 870, a bill before Congress designed to increase the single vet student's monthly subsistence allowance from \$65 to \$100 and that of the married vet from \$90 to \$125.

Meetings are held on alternate Wednesdays at 4:15 p.m. in the "Y" lounge. The next meeting will be on Wednesday, May 14. All veterans are invited to attend.

UMT Subject Of Mon. "Y" Forum

Should the United States break with its traditional policies and legislate for Universal Military Training? This will be the subject of the "Y" Forum this next Monday, at 7:30; 206 Dabney.

The forum will feature Commander Gough, Pasadena Legion Commander, who is well known to Techmen in the Naval Reserve Unit, and Richard Richards, veteran of three years naval service and graduate of the Harvard Law School. Commander Gough will present his views in favor of U.M.T., and Richards will oppose him.

Atomic Forum at Oxy

The YMCA sponsored Caltech Atomic Forum led a discussion on the problem of Atomic Energy Control at the regular Sunday evening meeting of the Student Christian Association at Occidental College, last Sunday. The Caltech Atomic Forum was represented by Frank Brady, James Harder, Irving Krumholz and Joseph Yanak.

Caps and Gowns

All seniors graduating this June are requested to come to the Board of Directors' office in lower Fleming, starting Monday, May 12, to be measured for caps and gowns. Office hours are given in a previous "Tech." All orders are to be in by Monday night, May 19.

Debaters Enter Contest At John Muir May 20

Orators Enter Turney At San Diego May 9

The Debate Squad will journey to San Diego State College on Friday, May 9, for an invitational round of public-speaking events. Irving Sulmeyer, Thomas Vrebalovich, Darwin Freebairn, and John Heath will make the trip.

The speeches will be given before university audiences, and the subject for debate will be: "Resolved That Labor Should Have a Direct Share in the Management of Industry." Elaborate preparations have also been made to entertain the debaters during their visit at the college.

Competition at John Muir

The orators will also participate in a contest to be held at John Muir Junior College May 20.

In this competition, John Heath will present his oration, "Song of the South"; John Holmgren will give his speech, "Is the College a Bush League", and Irving Sulmeyer will offer his prize-winning Conger Prize oration, "The Silken Thread."

Dr. Went Elected To Nat. Academy Of Sciences

Dr. Fritz W. Went, professor of plant physiology at the Institute has been elected to membership in the National Academy of Sciences, Dr. Lee A. DuBridge announced.

Election to the Academy, to which membership is limited to outstanding men in that field, is one of the highest honors a scientist can attain.

Dr. Went is particularly well known for his work on plant growth hormones. Recently he has been doing extensive work with plants under controlled conditions in Caltech's unique greenhouse.

Sulmeyer Annexes 1947 Conger Peace Award

Holmgren Takes Second Place In Assembly Oratorical Finals

Irving Sulmeyer won the first prize of \$50, and John Holmgren was awarded the \$25 second prize in the Conger Peace Prize orations held Friday, May 2, at the faculty assembly.

Sulmeyer captured the highest honors with his oration, "The Silken Thread," in which he showed the urgent necessity for cooperation among men by means of an effective allegory.

Holmgren Wins Second Award

Holmgren took second place with his speech on "Wilson and the Peace." His speech was clearly and effectively presented.

Excellent orations were also presented by Bernard Shore and Irving Krumholz, who, along with Sulmeyer and Holmgren, comprised the four finalists.

Shore spoke on the subject, "Ideals in World Peace," while Krumholz's topic was "Co-operation in the United Nations." These four finalists were chosen from a large number of contestants on the basis of manuscripts previously submitted to Dr. John Schutz, director of the contest.

Judging of the Speakers

The judges for the contest were Dr. R. Stanton and Mr. V. Langford of the Humanities Department. The following criteria were used in judging: 50 per cent for appearance and effect; 25 per cent for content of the speech, and 25 per cent for organization.

The Conger Peace Prize orations are held annually under the direction of the Department of Humanities.

LA ASCE Meets At Tech May 14

Dinner, Tours, Talks Star Traditional Meeting

The Los Angeles section of the American Society of Civil Engineers will hold its May meeting at Caltech on Wednesday, as guests of the student chapter of the ASCE. Scheduled events include dinner at the Athenaeum, preceded by tours of the campus, and inspection of the nearly completed 200' Palomar mirror.

DuBridge To Speak

Dr. DuBridge will discuss the plans and future of the Institute after dinner.

Other speakers include Lt. Col. C. A. Rust, a Caltech graduate student, who was commanding repairs on the Remagen Bridge when it failed; and Dr. Warren O. Wagner, project supervisor of the Guam Harbor Model study. Slides will be shown of the bridge collapse and repair attempts, and large scale models and movies will be used by Dr. Wagner in his talk.

This annual joint meeting is a continuation of a twenty-five year old tradition.

Haines Interim Vet's Advisor

R. W. Haines will be the veterans' advisor here on the campus for the next three weeks while Mr. Pringle is away on a business trip.

All P.L. 16's should report to Mr. Haines by the 20th of the month.

MRS. WHITTLESEY DIES

The California Tech wishes to express its sympathy to Columnist John Whittlesey, whose mother died last Thursday.

Earlier Thursday, she had presided at a meeting of the Caltech mothers service group at the Athaneum.

Mrs. Whittlesey suffered from a heart ailment, and her exertions in attempting to perform a number of tasks after her return from the Athaneum brought on a heart attack during the night.

BETA DANCE SATURDAY

The Spring semi-formal dance of Tau Beta Pi will be in the lounge of Dabney Hall at 9:00 p.m. Saturday, May 10, dancing to the music of Rod Rodriguez's orchestra.

LUNCH MUSIC PROGRAMS

The daily programs of music in Dabney lounge and garden will be printed and posted in the future, it was announced today.

Placement Schedule

May 9—International Telephone & Telegraph Corporation, Mechanical and Electrical Engineers—RESTRICTED.

May 13—Standard Oil Company (N.J.) Engineers for Foreign Service—Open.

May 15—Airborne Instruments Laboratory, Inc.—Electrical Engineers and Physicists—RESTRICTED.

Campus Brewin's

Friday's exchange at UCLA turned a lot of fellows loose on some new material. The refreshments were really good.

Bob Stokely seemed pretty well absorbed and put on a little dancing exhibition for everyone, while Bill Woodson was rather busy running back and forth between the dance floor and his car with one of the girls.

"Lover" Hickey ran up the high score for the evening out in the patio. He was on one bench with one girl while the other people on the other benches watched open-mouthed at his remarkable progress. Some even stared out of windows. One added touch was the clever way the lawn-sprinkling system came on about 11 p.m.

Still Another Sprinkler

Through the efforts of Harold Baugh the mighty Ricketts fountain is spouting again, with colored lights and everything. If you like a good moist date, it is fine for sitting beside during dances. It should be good for cooling beer.

Modernistic Portrait

An interesting addition to the Ricketts bulletin board was a stylish portrait of the bare rear protuberance of the anatomy of

Bob Pilling. Girls, after having been shown this, asked to see him. It was quite a while before he caught on. Oh yes, the picture was taken at the rather informal initiation following his election.

Ready Rowdies

The longest alley in Ricketts now sports a fully equipped volunteer fire department which expertly operates seven stirrup pumps. This public spirited group consists of Darrow, Pillings, Wilcox, Fay, Stone, Roach (minus teeth), Pedraglia, Marks, John, and Robinson. After each practice, the clean up crew uses an 18" squeegee to shovel all the water downstairs.

The Boy Scout

There is at least one fellow here with a good sense of timing who really catches on quick. Last Saturday at a beach party in Laguna, Jack Marshall sat on the shore beside his lovely date. On this beautiful evening with a full moon shining over the romantic scene, our heroine gazed up into the eyes of Jack with that limpid look and in a soft passionate voice kept repeating that she was cold. You can't fool that boy Jack, he knew just what to do; he got up and threw the wagon for a short interval

a log on the fire.

Blackout

Saturday night was the occasion of a Dabney dance. It has not yet been clearly established what was going on. It was so dim that we couldn't even be sure anyone was there at all.

Roughing It

The Fleming and Ricketts men had their dance outdoors and got a lot of good healthy fresh air with their recreation. Bob Dalton was there with Betty Mae Hopkins and strangely enough, Dean and Jean Johnson were there together. Vince Honnold, Bob Smoot, and Stan Barnes didn't make it back from Scripps until daybreak. Stan gave some feeble story about something or other breaking down. Excuses, excuses!

Horsing Around in the Hay

The Blacker hayride was a notable event. An as yet unsolved engineering problem is how to manage your beer on a swaying hay wagon. The highlight of the evening was the gigantic hay and beer fight which curdled the blood of all true beer lovers. Apparently it did something else to the blood of Warren Marshall. During hostilities he seemed pretty well absorbed in the hay with Dorothy Wilson. Ed Reinecke got in a little cross country practice by dropping off the wagon for a short interval

THE SQUARES' CIRCLE

THAT BENCH AGAIN!

Editor, CALIFORNIA TECH: Being a close student of undergraduate affairs I was interested to read the other day in this column that someone is suspected of dissembling The Senior Bench. I must confess that I am uncertain as to the nature of this crime. (I assume from the tone of the letter that it IS a crime.) Recourse to the dictionary has failed to dispel my puzzlement. Was The Senior Bench hidden under a false semblance; feigned; disguised? Was it made pretense of; simulated? Some impudent sophomore has assumed the appearance of The Bench? (This possibility has about it a vague odor of Un-Americanism.) Was it passed as unnoticed? Surely being forbidden to sit on it is enough—underclassmen are not required to make some sign of recognition as they pass?

While I am on the subject I should like to ask under what authority The Court of Traditions sits. It seems to me that its members are wide open to prosecution on charges of usurpation of police power. I hope it will be made clear to any future offenders that there is at least one senior who doesn't give a damn who sits on The Senior Bench, drawing the line perhaps at persons with communicable diseases.

Having given up cheating for the period of Honor System Day, I intend now to resume my former devious but successful ways, my conscience eased by the knowledge that the Honor System ranks way down at the level of The Senior Bench in the Cal Tech Tradition.

JOHN MAYS.

and then running like mad in order to catch up again.

Musical Baedeker

The jazz concert at the Civic Auditorium last week was a big commercial success, with every seat occupied and over 1000 cash customers turned away. More important and gratifying, however, is the fact that the concert was a moderate musical success.

Unusual Features

The first bash of the so-called "Just Jazz" series was unusual in many respects. All the artists except Andre Previn showed up. The concert was only 20 minutes late in getting started. And a lot of music was heard that was not just plain bedlam. Even the audience was not the usual conglomeration of bobby-soxers and bar flies; most people seemed to have come to hear good music and enjoy it.

Be-Bop Bad

The concert got off to a bad start with a pretty uninteresting be-bop session. It was the same old story—musical exhibitionists decorated with Gillespie goaties and smoked glasses. Best performances came from Benny Carter; Vic Dickenson, and a new

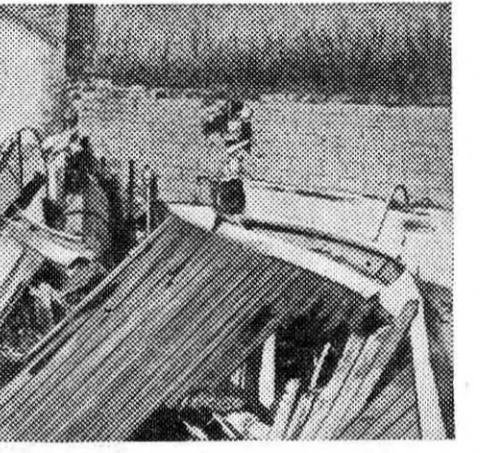

young tenor star, Wardell Grey. Probably the most painful experience of the evening was Charlie Barnet's tenor screeching; Charlie may be good on "Cherokee," but as a head arranger he is way on the bottom.

Sextet, Garner Shine

In contrast with the sad be-bop session was the fine performance by the Benny Goodman Sextet, featuring Red Norvo on vibes and a wonderful Guarneri-like pianist, Jimmy Rowles. The pleasant, subdued music of the excellent little group brought enthusiastic cheers from the audience. The evening's outstanding soloist, however, was the unmatched Errol Garner, who broke things up with his beautiful interpretation of "Laura" and the peppy "Lover."

King Cole Coming

June 16th was set as the tentative date for the next "Just Jazz" concert. The King Cole Trio is definitely set to appear, and there is a possibility that Stan Kenton and his orchestra will be heard.

December 25, 1946

How a city's voice was restored!

Early on December 14, 1946, flames gutted the Central Office at River Grove, Illinois. Telephone service for 10,000 families ceased to exist.

Even as the fire burned, restoration work was begun. Emergency telephone headquarters was set up. Mobile equipment arrived to handle calls of first importance.

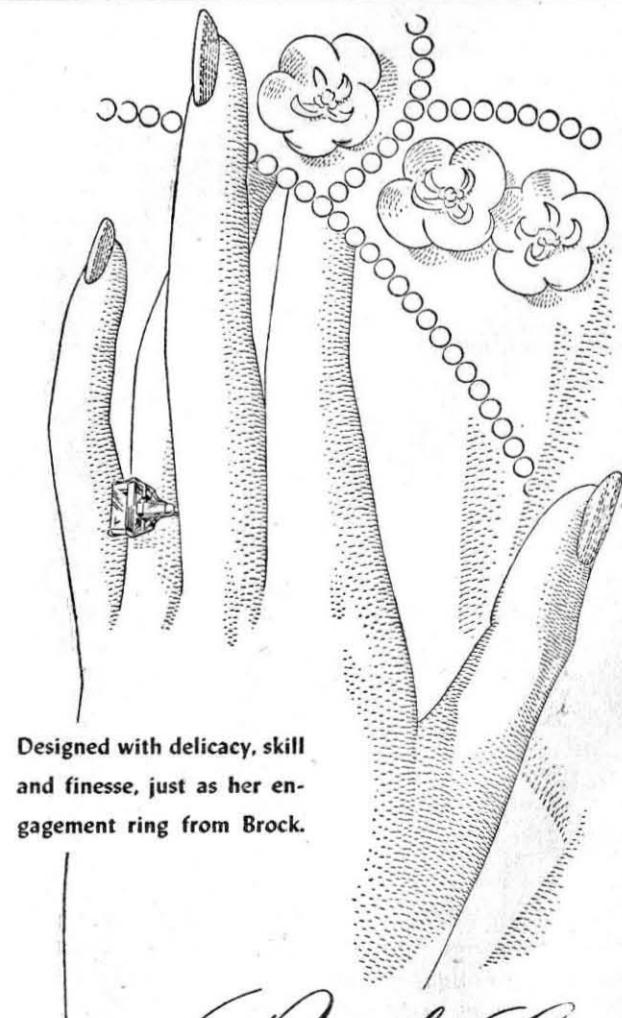

Telephone men from distant points came to aid the local forces. Bell System standardization proved itself again for all men were able to use the same methods, the same tools, the same Western Electric equipment. From Western Electric plants

hundreds of miles away the needed supplies—the right kinds and amounts—were started toward River Grove.

In a matter of just 11 days . . . a record accomplishment . . . two Quonset huts were erected, new switchboards installed, splices and connections made. River Grove's communications system was restored.

Planning well in advance for both emergencies and normal growth, is a task of telephone management. The many and varied problems presented offer a stimulating challenge—promise adventure and opportunity—to men who choose telephony as a career.

Beaver Teams Splash, Swat, Slice To Wins; Ballteam Fans

Golfers Club Redlands 9½-8½

Team in Second Place; Meet Pomona Tomorrow

Caltech's golf team met with a stronger opponent than expected last Friday as the Beavers won a close match with Redlands on the latter's home course. The Redlands course, a short par-66 layout, proved to be very tricky to the Techmen, playing it for the first time.

Men in Fine Style

Ed "Hoagy" Revay was low man for the Beavers as he fired a 75 to defeat his opponent. Douglas and Moore came through in fine style with a 77 and 78 respectively. Jerry Harrington, usually low man of the Tech squad, slipped to a 79.

Beavers in Second Place

The Redlands win puts the Beavers in second place in the conference race. Pomona, with no losses, is still out in front. However, the Techmen play Pomona tomorrow afternoon on the very tricky Pomona course where a win would put the two schools tied for first position.

Redlands match results:

Thompson def. Harrington, 4-3; Revay def. Crear, 2-1; Moore def. Smith, 1 up; Douglas def. Moody, 4-3; Donald def. Benton, 1 up; Palmer def. Bennett, 4-2.

Talkin' It Over With Stan and Paul

Down on the Pomona Poultry Farm last Friday the Tech tile tappers came through in record-smashing style. Showing brilliance exceeding all hopes, the Ricketts Rocket, Brad Houser, churned a mighty eight and a half laps to eclipse the frosh record in the 220 free style. Getting back into the shape which placed him in the S.W. Conference finals was smiling Jay Montgomery, who came within .2 seconds of cracking the Techbabes' mark for the 150 backstroke. Watch more records fall next week in the Tigers' Tub.

More Tank Talk

Another big splash from the swim squad, the key man in winning those medley relays (we haven't lost one yet) is old Butterfly Bill Palmer. While many swimmers rely on their last lap kick, William gets out and goes when the gun does; and while the boys behind are starting to sprint for the tiles, Bill already has his sweat clothes on.

Reliable sources which for security reasons wish their names withheld, have reported that Bill has been cutting water with a curvaceous porpoise out Catalina way.

Coffee Time

Getting our weekly pay-off from the athletic office, that is, the cups of coffee and doughnuts that Andy buys us, talk got around to spring football and our hopes for next year. Andy (Continued on Page 4)

Beaver Ball Team Bows To Redlands; Team Hitless 8 Innings; Shut-Out 6-0

Three Singles Die on Base; Pomona Meet Saturday

Coach Musselman and the boys went to Redlands last Saturday, and came back with little more than a deeper suntan. Playing before a crowd of the Valley people, the Beavers went hitless for eight innings, and were finally shut out, 6-0.

No Offense

Most of the stickmen felt that their offensive game had dropped out somewhere on the road, and that several afternoons should be spent looking for it. Sixteen of the locals went down on strikes, and the team made only three hits. All hands agreed that Waters, the Redlands pitcher, was one of the best seen this season.

Up and Down

The team went up and down practically in order until the eighth, when Morrison, MacGintie, and Bruce Hedrick broke the ice with consecutive singles. No runs resulted, however, as the next three men drew blanks.

Pomona Here Saturday

In hopes of another league win, the Beavers will entertain Pomona here Saturday, with game time at 2:15.

Beaver Netters Romp To Easy 6-3 Win Over Sagehens

Techsters Shine in League Tennis Victory

Under the blazing afternoon sun last Saturday, a strong Beaver net squad downed a superior rated Pomona aggregation to the tune of 6-3. Although the 1 and 2 Sagehen starters and 1 Techman, John Holmgren, were absent from the fray—thus making the results somewhat indecisive—the match can nevertheless be counted as a feather in the caps of the Bevoes.

Suhrer Wins

After roaring up to the courts several minutes late and querying, "Oh, do I have a match today?" Captain Jim Suhrer stepped onto the court and calmly wiped it up with his opponent with 3 and love sets.

Palmer and Charlie Win

Though sporting a lame digital, Rompin' Ray Palmer ably held down his 1 position with 5 and 2 wins while good ole' Chargin' Charlie customarily dispatched his opponent in the second slot with 3 and love sets.

Ed Alexander, Larry Nobles and Tom Hamilton filled out the roster for the singles clashes and these six men combined, too, for doubles.

Houser Breaks Frosh 220 Record; Montgomery Almost

Last Friday, Caltech met the hot Pomona swimming team at their home pool and came through with flying colors! As usual the boys took the medley relay and lost the 440-yard four-man relay. Brad Houser broke another frosh swimming record, the 220 free style in 2:34.2.

Montgomery came very close to breaking the 150-yard backstroke. Palmer and Dixon won the breaststroke and 440.

Medley Relay—Caltech (Hall, Palmer, Curry), 3:33.6; 220-yard free style—Houser (T), Dixon (T), Berry (P), 2:34.2; 50-yard free style—Fergerson (P), Person (P), Mitchell (T), 24.4; Diving—Macomas (P), McKenna (T), Elmor (P); 100-yard free style—Jorgenson (P), Houser (T), Mitchell (T), 57.7; 150-yard breaststroke—Montgomery (T), Hall (T), Conway (P), 1:55.2; 200-yard breaststroke—Palmer (T), Gregory (P), Titus (P), 2:48.4; 440-yard free style—Dixon (T), Eschner (T), Gray (P), 6:04.4; 400-yard relay—Pomona (Van Vorst, Barry, Person, Jorgenson), 4:04.5. Final score was Caltech 42, Pomona 33.

Win Discobolus**

The Discobolus slid through Ricketts' frantic fingers and into the eager paws of the Dabney track team as the Big Green Machine squeezed the Rowdies, 34-7.

Confidence was evident when the Dabney captain, Kariotis, ran only one man in the 880—himself, giving Ricketts a second and third. Dabney made clean sweeps in the 440 and hurdles as well as the relay.

Scoring was as follows:
220—Shauer (D), Root (R), Green (D).
21.7 sec.
440—Simons (D), Spellman (D), Warren (D). 54.0.
880—Kariotis (D), Peterson (R), Kaplan (R).
220 low hurdles—Herzig (D), Walt (D). Nevis (D). 27.2.
Mile relay—Dabney (Green, Kariotis, Simons, Shauer.)

(Continued from Page 3)
feels that if the boys continue to improve as much as they have during the past weeks, Tech will field an outfit that will win more than its share of the games. We're glad to see that the two melon tossers, Ted Bowen and Dave Viglierchio have crawled out of their holes to get measured for a helmet and hip pads.

Final Glimpse

The last rites for the '47 spike squad were held in the field house last week as the boys last week as the boys unanimously acclaimed Ken Shauer and Don Tillman co-captains.

TO KEEP TRIM!
in Gabardine
Swim Trunks
by *B.V.D.

3.95-5.50

Swim trunks that double as shorts for sports! These handsome *Sanforized-shrunk cotton gabardine trunks are cut with B.V.D.'s usual regard for comfort. We have them in the popular "Boxer" model—with trim athletic lines and shirred elastic waist. No belt—handy concealed drawstring instead. In four attractive colors, with contrasting stripe at side.
